Working Behind The Scenes

German Assistant Learns While Teaching

A message from Gudrun Staub:

I was born on August 3, 1957, in the small resource village of Arnsberg in the North-Rhine area of Germany.

After completing my university entrance examination, I moved to Tubingen, a picturesque medieval town with a famous, more than 500 year old, university in the southwest part of Germany.

I studied Science of Education (a subject including Psychology and Sociology), German, and English to become a Gymnasium-teacher in these subjects.

I came to the United States in order to get to know a foreign educational system not only in theory but through working with students and my American colleagues. As a teaching assistant, one of ten from Germany sent to New York State in a pilot program supported by the German Government and the Goethe-House in New York, I'm working with Mrs. Pollinger and her German students. It is very interesting to teach my mother tongue, German civilization, and cultural aspects to the students. It is also very exciting to collect experience about American lifestyles so that I will be able to offer my students in Germany intense and vivid lessons.

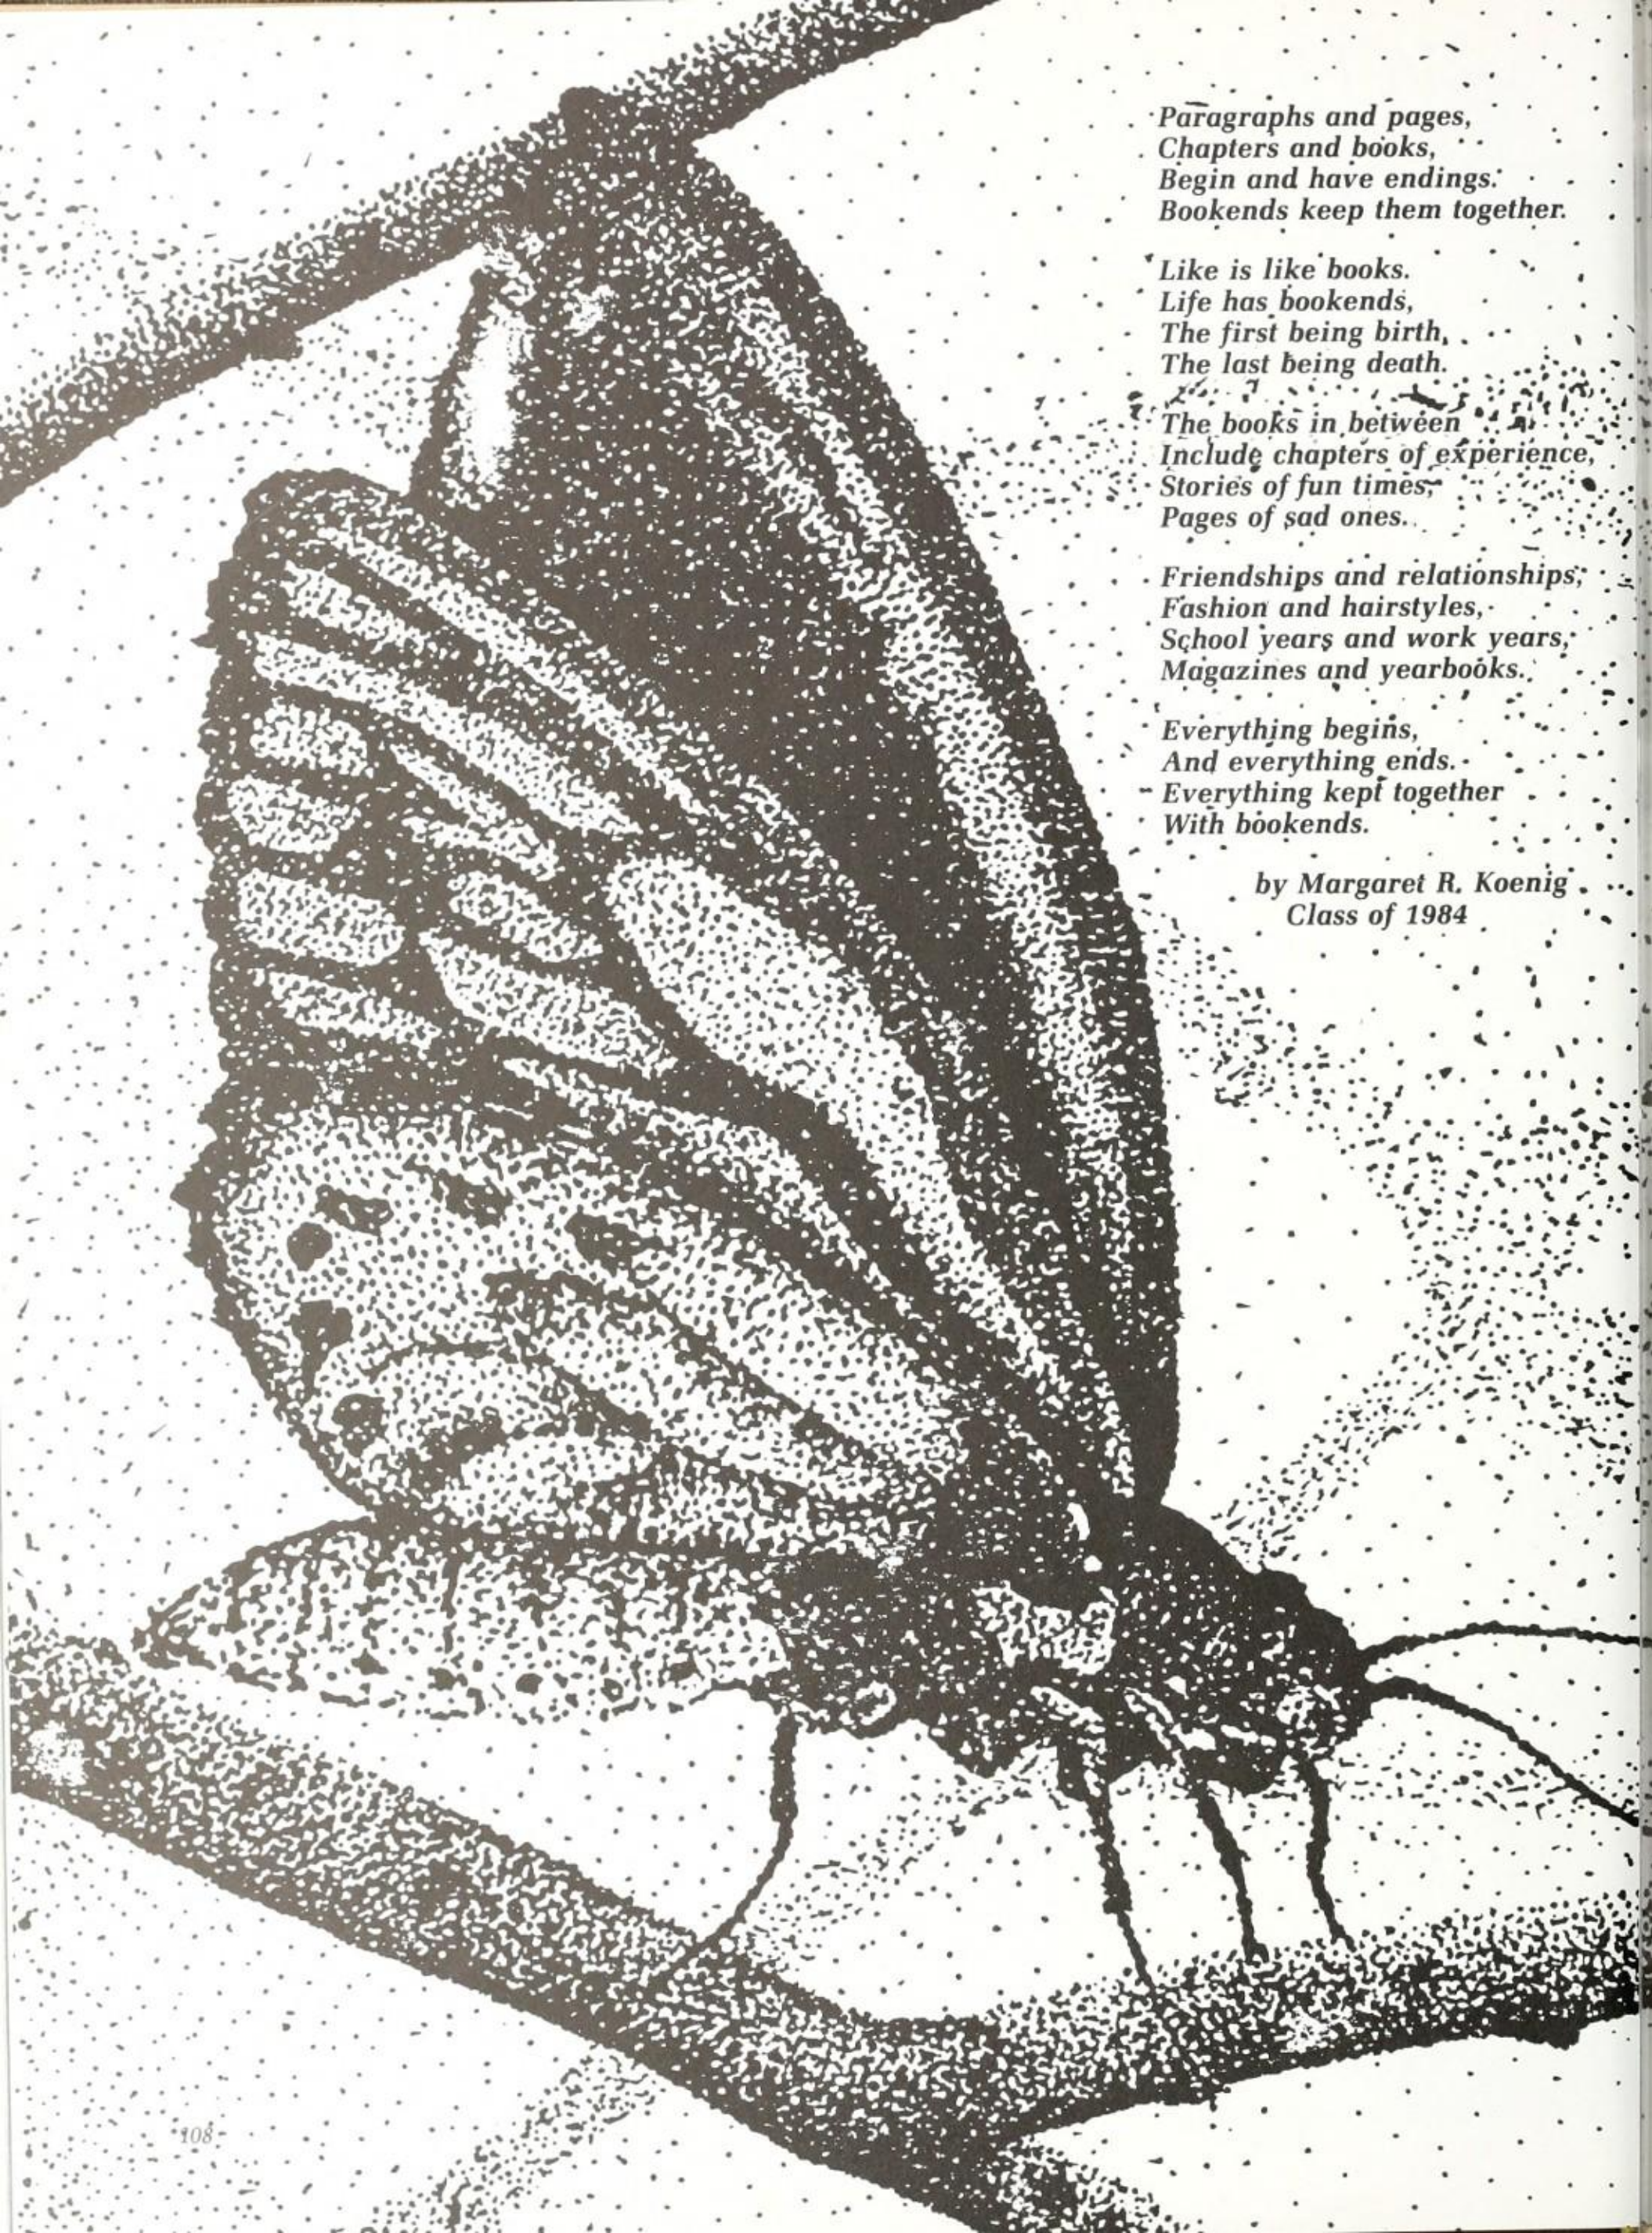
WHO ARE THESE SENIORS?

(See Page 195)



Paragraphs and pages,
Chapters and books,
Begin and have endings.
Bookends keep them together.

Like is like books.
Life has bookends,
The first being birth,
The last being death.

The books in between
Include chapters of experience,
Stories of fun times,
Pages of sad ones.

Friendships and relationships,
Fashion and hairstyles,
School years and work years,
Magazines and yearbooks.

Everything begins,
And everything ends.
Everything kept together
With bookends.

The Distributive Education Clubs of America (DECA) are set up for students of the first and second year Marketing-Distributive Education classes.

The club is actively involved with the community and employers. This year at Christmas the club visited the OLV Infant Home and shared gifts with the children. Other charity projects, such as the Children's Hospital telethon, are part of the club's activities.

An annual field trip to the Seneca Mall is part of the Distributive ED II class and a club event. The students work on and view the many displays.

At the close of the year there is a much deserved banquet for the members.

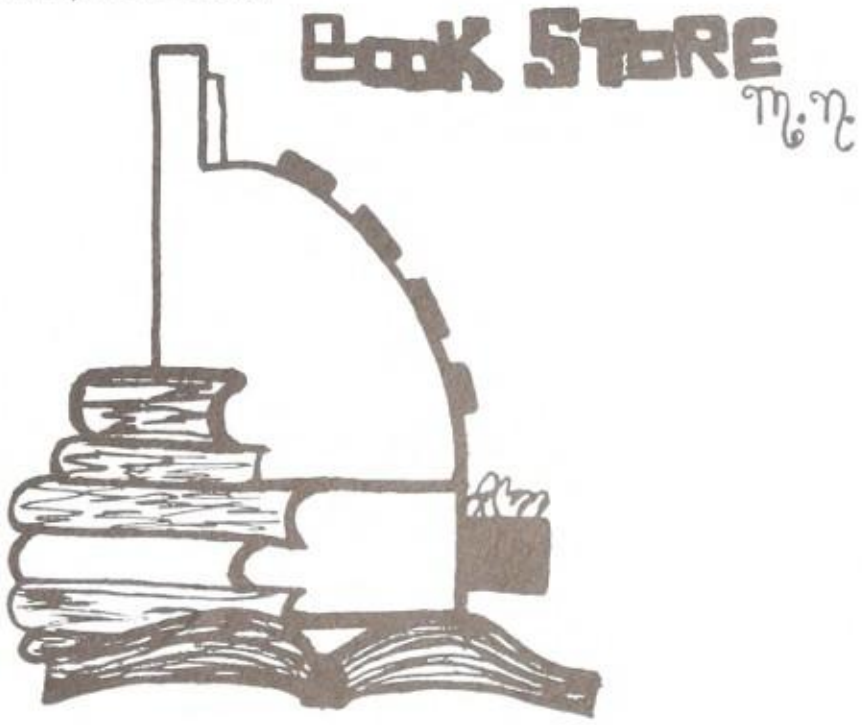
The Frontier DECA Student store provides a training area within the school for the Distributive Education and the VICP work-study students. The students actually operate the store, sell, inventory, and control operations as in a normal retail store.

This year's additions to the store include a New computerized cash register and a friendly time clock!

The student store provides many needed supplies to students as well as teachers. Other than the traditional pens and pencils, the store sells locks, computer discs, notebooks, and pretzel sticks.



Listening: A Human Asset

The Peer Listening Group (sponsored by the Town of Hamburg) trains Frontier students to be helpful, understanding peers. Most activities revolve around purposeful, attentive listening as a helping person. The group also enjoys several social activities, which are used to reinforce many concepts, as well as having the "all-important" good time.

ROW 1: M. Allexenburg, J. Rachlinski, J. Stadler, G. Shannon. ROW 2: D. Brooks, R. Getchell.

The Frontier "It's Academic" team, led by Jeffery Rachlinski, fell to a strong West Seneca East team at the Channel 4 studios on October 9, 1983. Frontier came out fighting in the early rounds, but soon ran out of steam. Michael Allexenburg, Joseph Stadler, and captain Rachlinski worked well as a team and rallied late in the game. However, it was not enough to regain the lead and West Seneca East placed on the leader board with 490 points, leaving Frontier and Mt. Holy Angels Academy in their wake with 200 and 180 points respectively.

The alternates, Douglas Brooks, Ross Getchell, and Glenn Shannon, admitted the team played well and congratulated the team for a valiant try.

A show of confidence: Before the show!

The March Is On . . .

This year's highly spirited marching band was joined by the new Color Guard to perform and entertain at half time during home football games. The band's enthusiasm not only showed on the field, but also in the stands during the games when the band cheered the team on.

The 72 member marching band also participated in the 1983 Homecoming parade in Blasdell. The band will be carrying on their good work next year.

The guard is broken up into two sections: flags or banners, which has nine people doing intricate maneuvers, and the rifle section, which has six people doing airborn tosses, rapid spinning of the rifle and a very detailed routine. The guard will perform during the half-time at Frontier's home basketball games. The National Honor Society recognizes four ideals: scholarship, service, leadership, and character. Membership in the society is both an honor and a responsibility. Students elected to membership are expected to continue to demonstrate the qualities of scholarship, service, leadership, and character not only in school but also in their community.

The Frontier chapter of the National Honor Society in conjunction with the Frontier Board of Education holds a dinner of newly selected candidates, followed by a traditional candle-lighting induction ceremony.

Members of the society engage in fund raisers throughout the year to finance a scholarship for one of its members. They also offer their services as tutors.

The French Club was very active this year. The club entered a float in the Homecoming Day parade and placed third. The club also participated in the International Christmas Festival, cooking foods that are uniquely French.

The Club, under the direction of Mrs. Pollinger, plans to utilize the resources raised from candy, poster, and carnation sales to finance a Memorial weekend trip to Toronto and later, an excursion to Darien Lake. The Club wishes to thank all those who assisted and participated in the money-raising events.

The Polish Club: Proud of Their Heritage

The purpose of a foreign language club is to provide its members with a better understanding of that language as well as the people who speak it. The Polish Club does just that, and the members are proud of their ancestry and heritage.

In October, the club entered a float in the Homecoming parade. The highlight of the fall's activity was the Polonaise Ball at the Buffalo Hilton.

The winter's activities included the club's participation in the International Christmas Festival. The club also was a co-sponsor of International Day, when 40 students from 17 countries spent a day at Frontier.

In the spring the club celebrated the annual Easter Swieconka by preparing colored Easter eggs. Field trips to the Polish community centre, the Broadway market, the Pulaski statue, and a visit to St. Stanislaus Church capped off the season's activities.

The Spanish Club has undertaken a very ambitious schedule this year.

In the fall, they attended a play at Williamsville South. It was an action-packed production of "El Sombrero de tres picos" by Pedro Alarcon.

Spanish club members served as guides for the annual U.B. — Frontier International Day. University students from all over the world spent a day touring the Frontier campus.

On December 2nd, Frontier High School took on the appearance of a foreign land during the International Christmas Festival. Foods from several countries were served and enjoyed by all. The Spanish Club served Mexican style enchilladas along with many other delicacies.

During the year the members have been busy with fund raising, selling candy, jewelry, and flowers. The money will finance a weekend trip to Toronto on Memorial Day weekend. Casa Loma, The Science Museum, and an Agatha Christie play are some of the places which will be visited by the club.

"Checking" In On The Chess Club

The Chess Club, consisting mainly of sophomores and juniors, meets weekly for highly competitive matches between club members. Officers elected at the first meeting of the year were: J. Rachlinski (President), J. Stadler (Vice-President), and M. Allexenburg (Secretary).

The club will definitely miss its graduating seniors and urges any interested student to feel free to join come September.

Yes! These are the mysterious voices you hear each morning via the PA. With Mr. Grottanelli as their leader, a bit of humor must be tied in with the deal. Struggling to read twenty-lettered names clearly and correctly, is rather trying most of the time, but these girls gave it their best shot! No one can ask for any more; not even Mr. Grott.

Future Business Leaders Keep Busy

The Future Business Leaders of America Club (FBLA) has had a very busy year. Four of our members, David Vullo, Sandy Valletta, Kim Mahoney and Lisa Hoctor attended the Fall Leadership Conference in Lancaster, Pennsylvania. They also toured Three Mile Island and visited an Amish community.

Our Christmas project was a visit to the Preschool Learning Center in Boston where we gave the children stuffed animals and candy. Our Kissing Booth helped us to cover our expenses for the third year that we have shared Christmas with the children.

In the Spring we competed in numerous business contests with other FBLA Clubs in our area.

New York City was a great experience for all of us. The one-day trip in May was the highlight of our fund raising efforts. We ended the year with a club picnic and a visit to Darien Lake.

Reporting The "HiLites" of School Life

1983-84 saw a reorganization of the Hilites into departments, similar to that of a large city newspaper. Sales of papers were down from past years, but a determined staff kept working to present top-notch articles on many different subjects, as well as cartoons, puzzles, and word games. A field trip to the Buffalo News was scheduled. The Hilites also entered a float in the Homecoming Parade, "hiliting" various headlines from the "50's" era.

Sharpening Their Legal Skills

The mock trial group participates in the New York State Bar Association's Mock Trial Tournament. This tournament consists of schools throughout the state that enter teams of attorneys and witnesses to compete in an enactment of a trial.

The trials are held in a state supreme court and judged by a local state or county judge. Those teams who continue to win their cases progress to various regional contests in the State. The finals are held in the New York State Court of Appeals, the highest court in the State.

This year's team opposed Mt. Mercy Academy and Kenmore West in the first round of the tournament and represented Frontier well.

I don't have the foggiest idea what I'm doing!

The printing of Gateway '84 was a most difficult task. Work began on this year's yearbook last spring, continued during the summer, and began full-speed ahead in September. A seemingly infinite number of hours were spent on "Bookends".

Much of the credit for this year's Gateway goes out to Kim and Amy Wilson, Amy Patton, Jim Hayden, Jean Logan, and Linette Rainville. Some 75 students showed an interest in working on Gateway in September, and by January the number of actual workers decreased significantly. It takes a unique type of individual to be able to endure the hours spent on layouts, writing copy, editing, proofreading, processing film and printing pictures. The recipients of Gateway '84 are greatly indebted to those special students who didn't quit working on a most difficult task.

Special credit is given to John Kehoe for the cover artwork and gratitude is offered to Miss Lyons and Mrs. Kraft for their assistance in the publishing of Gateway '84: "Bookends."

Broadcasting Broadens Its Programming

The Broadcasting Club consists of two sectors, audio and visual. The radio broadcasting has been a regular for years (although renovations put a damper on this year's activities), but the Music television is a new and exciting addition to the club. FMTV is the name of the program, and is made up of highly talented and motivated Frontier students.

With its new twofold format, the Broadcasting Club promises to be a very integral part of school life in future years.

Under the supervision o Mrs. Gasper, members gain instruction on how to oper ate the various recorders and editors that use tapes cassetts and films, and gain a familiarity with classroon video broadcasting techniques.

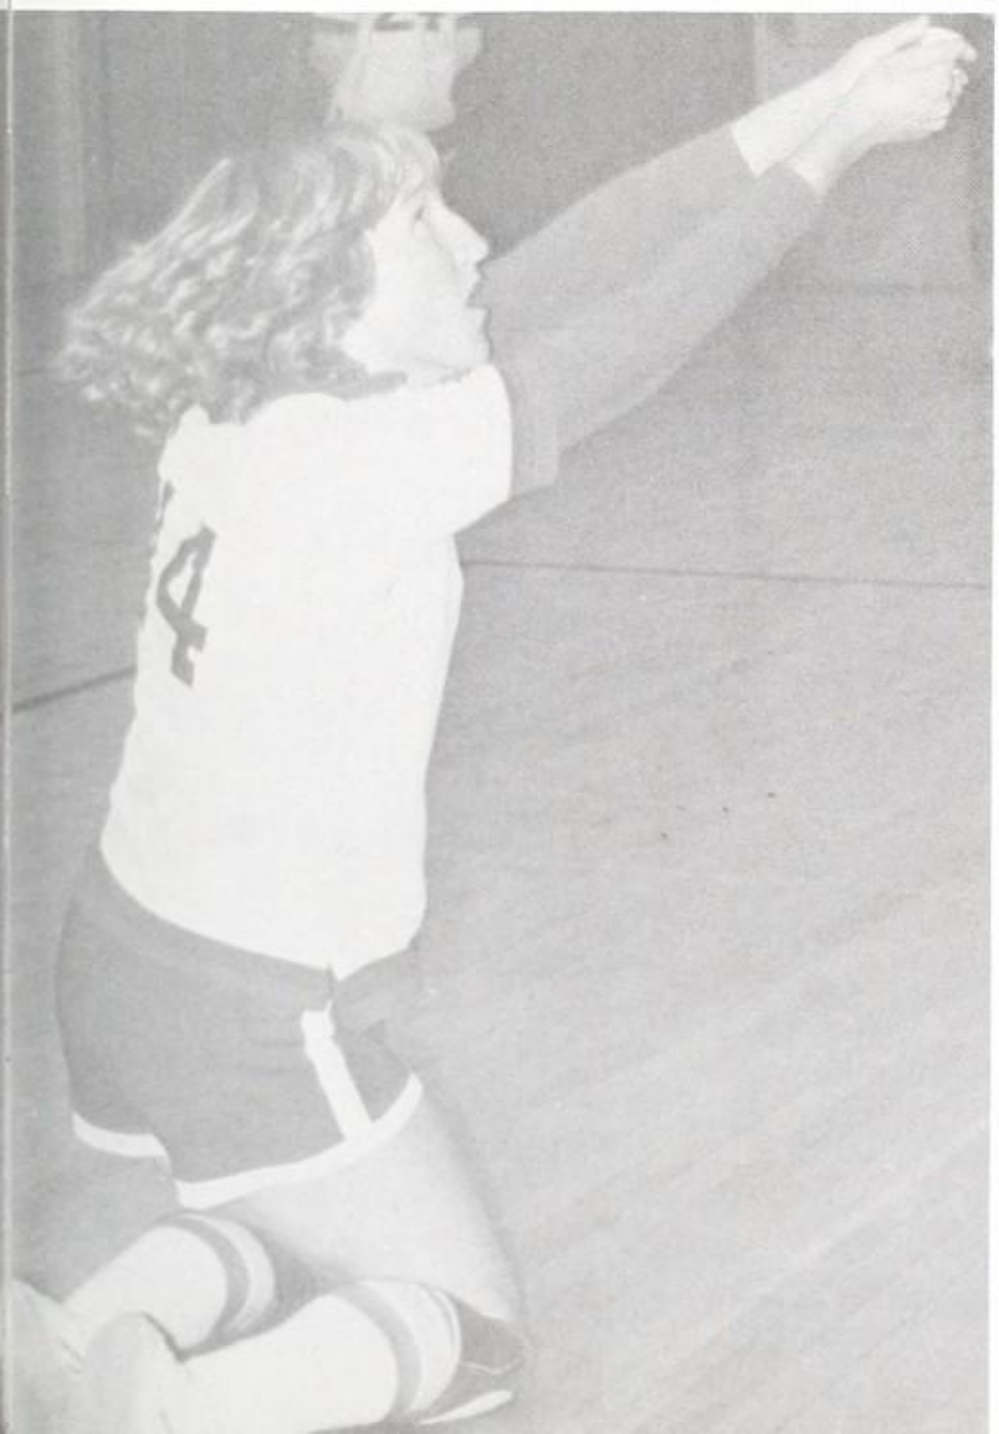
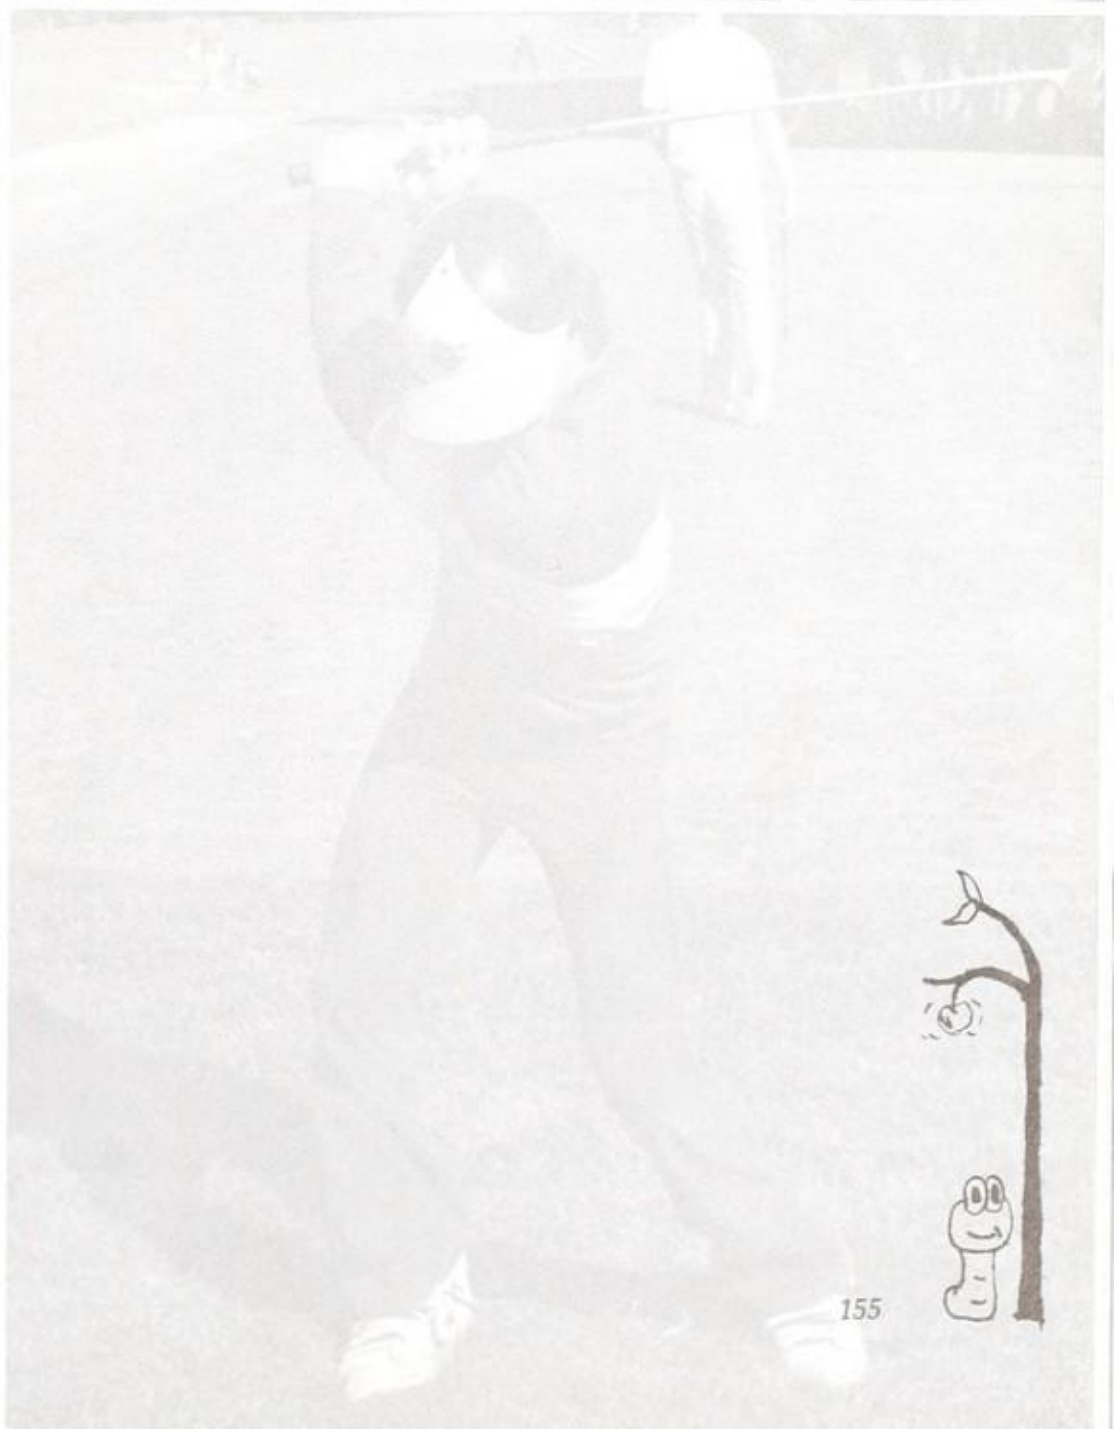
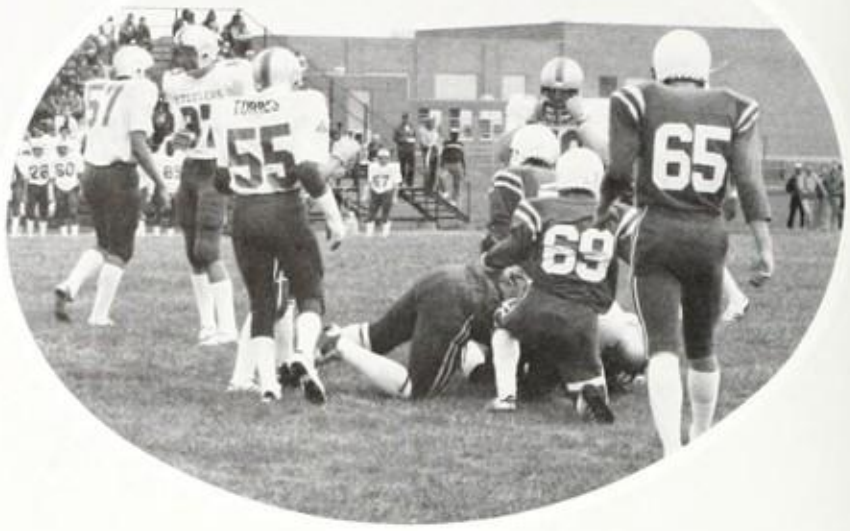
The Falcon Spirit





Strong Finish For '83 Falcons



ROW 1 (bottom row): T. Kirkpatrick, W. Natwora, J. Gleason, J. Owens, M. Abramo, C. Conti, E. Horan. ROW 2: T. Lewis, M. O'Connell, T. Nolan, B. Falcone, A. Dunlap, J. Salasny, C. Gearhart, G. The Varsity Football team finished its season on a strong note, beating Amherst 6-0, and Hamburg 6-0. The Falcons' overall record was 2 wins and 6 losses. John Salasny, Jeff King, Mike Abramo, Jeff Johnston, and Tom Nolan were selected to the Division II All Star Team. Mike O'Connell, Blake Bednarz, Greg Doyle, and Frank Rapini received honorable mentions.

The Season of Minutes

Taylor, J. Baia, M. Clifford, S. Parker.

If professional football is a game of inches, then J.V. football is a game of minutes. Although losing every game, it was a matter of minutes that determined the outcome of our Falcon games. Losses to Lackawanna, East Seneca, Williamsville South, and Hamburg all came with less than 2 minutes remaining in the contest.

Despite the losing season, the team demonstrated character and competitiveness throughout the season. Gutsy defense and long offensive drives characterized this team. Unfortunately, the only thing people will remember is that they could not move the ball into the end zone.

he Falcons!!!

The Varsity and Junior Varsity squads are made up of a truly dedicated and energetic bunch! The squads are very supportive of the sports they cheer for and the school they represent. They have spent an enormous amount of time on spirited activities, practices, and games.

The individuals also have a great amount of athletic ability and talent. They are always perfecting their stretching program, jumps, pyramids, partner stunts, and techniques.

Being a cheerleader means having good communication ability, enthusiasm, and character. The 1983-1984 cheerleaders should be remembered for these qualities.

The hard working managers

The 1983 Varsity Soccer team finished a disastrous season, winning only one game and tying the 1982 state champions, Holland. Though the games were not reasons for optimism, the program as a whole was. All elements of the team showed improvement.

Seven seniors will be graduating this year, including co-captains Ross Getchell and Al Stockman. Both deserve to be credited with supplying adequate leadership during the difficult season. Returning are fifteen underclassmen, 11 of which are Varsity letter winners.

A vastly improved junior varsity program under Coach Kerr will hopefully fill the shoes of the graduating seniors.

Playing in the very competitive ECIC division III, where the top four teams lost only a total of 11 games, made improvement in the "wins" column a difficult task.

Next season, co-captains Paul Philips and Kevin Moores will lead a team that has begun to rebound.

Down he goes!

Encouraging the team

The J.V. Soccer team completed the 1983 season in a very tough division. Despite a lack of experience, the team remained competitive in most games. The height of the season was consecutive victories over West Seneca East and Pioneer.

The Falcons were led offensively by Bob Jensen, who scored 9 goals, and Dan Spring and Jeff Doyle, who contributed 6 and 4 goals respectively. Defensively, goalie Todd Russell and fullback/goalie Shane Soto, along with Mark Saldyga and Mike Wicher, led the Falcons.

With half of this year's squad comprised of seventh, eighth, and ninth graders, Coach Kerr is looking forward to a very productive season next year.

The Falcon girls tennis team won 7 and lost 7 during the 1983 season in ECIC Division I action. Chrandra Louise was the team's outstanding performer, compiling a 13-1 record at first singles. Chrandra went on to finish second in the ECIC tournament and second in Section VI to earn a berth in the New York State Public High School Championships.

Frontier will have their work cut out for them next year, replacing four graduating starters. Besides Chrandra, Lisa D'Alessandro, Ann Metzger and Jill Wieder were all consistent winners in the varsity line-up. They will be missed not only for their tennis ability, but also for their personalities which were so much a part of the team's spirit.

"Smile, you're on Candid Camera!"

Swim team ends season with a splash!

A show of spirit!

Cheering on their teammates.

A smile at the finish line

The 1983 Girl's Swimming Team had its best record ever. The team accumulated a 7 win and 4 loss season. The team was led by senior Terese Langhans, who graduates with seven individual school records and shares two relay records. Needless to say, the person who holds nine of the ten swimming event records is going to be difficult to replace! Norine Robinson and Mary Taylor are the two other seniors whose spirit and swimming ability will be missed in 1984.

The successful 1983 season reached a climax when Terese Langhans and junior Lynn Luczak participated in the state championship held at West Point. Both girls made the finals in their events — the 50 freestyle by Terese and diving for Lynn — and performed in a manner that should make everyone associated with Frontier proud!!

The future looks positive for Frontier swimming. With a large group of returning letter winners and some bright young talent from Amsdell, next year could be very good indeed!

Winning Tradition

The Frontier Cross Country team finished its regular season as the undefeated Division III champions, with a record of 14 wins and 0 defeats. At the end of the regular season,the Falcons were ranked fifth in New York State. The Falcons were edged out of the sectionals by the eventual state champions, Clarence.

Both Jim Kruszka and Mike Wright were selected for the ECIC Division III All-Star team and the All-Western New York Cross Country Team.

Golf Champions

The Frontier Central Golf Team, coached by Mike Santoro, finished the 1983 season with a 12-0 record and the Erie County Interscholastic Conference-South and overall championships. The Falcons' Don Smith was named ALL-ECIC while Tim McCoy and Bill Nash were named to the South Division ALL-Stars.

Frontier last won the South Division crown four years ago and had never won an overall title before. Congratulations to the team!

Spikers Show Marked Improvement

The Boys' Volleyball team finished the 1983 season with a record of 8 wins and 10 losses, quite an improvement over the previous year's 1 win and 17 losses. The spikers were competitive in each match, losing games to Sectional teams like Sweet Home, Lake Shore, Orchard Park, and Hamburg by only two points in each match.

Leading the team were senior co-captains Kevin Streety and Louis Mead. Brian Wetzler led the team in serving while seniors Mike King and John Porpora, along with juniors Guy Porter and Dave Turgeon, headed the spikers. With Guy Porter and Dave Turgeon returning as starters, next season's prospects look even brighter.

Angelo Mantione led the "B" team to a record of 11 wins and 7 losses, and second place in the division.

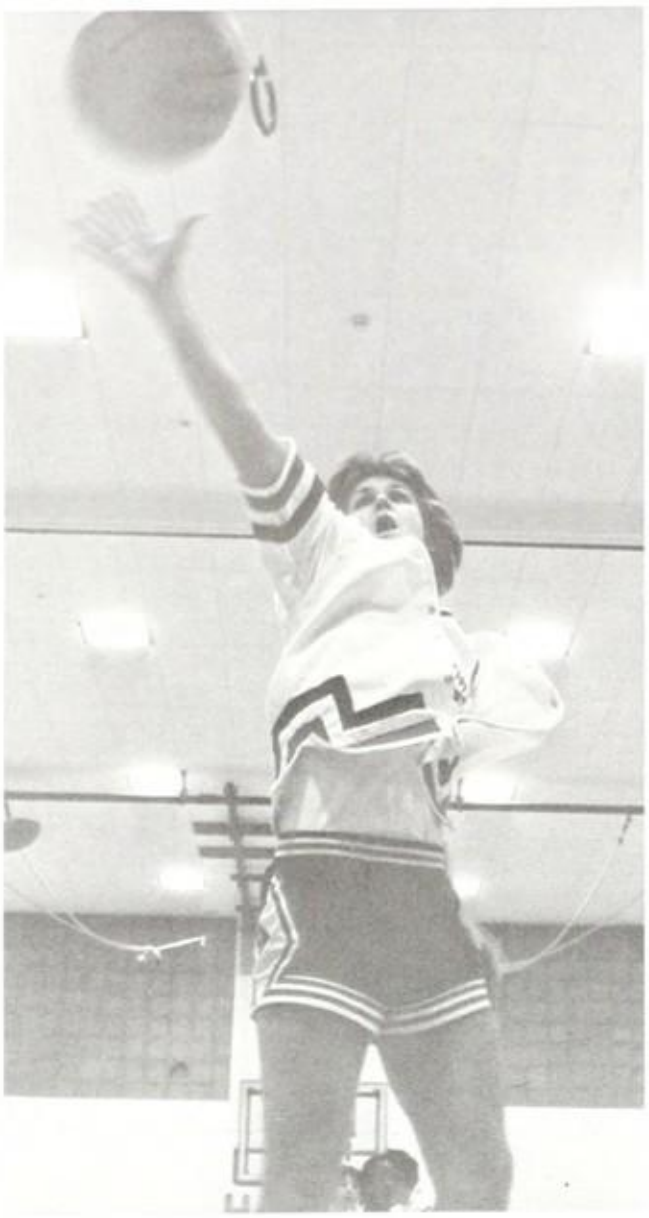
Fine Team Returns



Just like the pros!

The 1983-84 edition of the Falcon Basketball team was made up of many newcomers. Only four returnees from last year's varsity made the team, so they were young and inexperienced. They did open the season with a first-ever third place finish in the Hamburg Tip-off tournament. They also came out and beat Hamburg twice in one season and almost pulled the upset of the year in a 15 point loss to Lackawanna, the closest anyone has come to them in five years in our division.

The Falcons were led all year by two Juniors — Mike Bartolotti and Paul Phillips. Both boys averaged about 13 points and 6 rebounds a game. Another Junior, Jeff Johnston, came on strong and averaged 6 points, 5 assists, and 4 steals. The Falcons will miss Seniors Frank Rapini (6 points and 6 rebounds), Rodney Johnston (8 points and 4 assists), Don Sutfin, Rich Doyle, Tom Nolan, and John Owens, but a fine nucleus is returning to give the Falcons their brightest future in quite some time for the '84-85 season.

Falcon Swimmers Remain Champs

The 1983-84 season was one of accomplishment. For the third year in a row the Falcons were the Division III champions with an 11 win and 1 loss overall record. Many individuals surfaced as outstanding performers during the year. Foremost of these was All-American Mike Wood. During the year Mike set records in every individual swimming event and over a three year period set 45 records. Mike currently holds one WNY record, ECIC records, and 8 Division III records. Other seniors who will be missed next year are R. Getchell (co-capt.), M. Nowak, J. Heimbeck, and A. Mantione.

Juniors also made their mark upon the team. J. Triepel was in the ECIC top five in seven events. T. Joyce had his best season despite being out of action for over a month due to illness. G. Endress continues to be one of the best backstroke swimmers in the league, while also becoming a very dependable freestylist. Bill Lapiana, Brian Blyth, and Tim McCoy formed a valuable trio of breaststroke swimmers and gave the team needed depth at that position. D. Smith, E. Grogan, K. Gilcrest and J. McVitty will also play key roles for the Falcons next year.

Sophomores and Freshman were also vital elements to the team. M. Ott improved his speed week after week and ended up qualifying for the ECIC's in three events. P. Walier, M. Grimmer, and R. Bauer, also improved greatly. B. Wood was one of the top five butterfly swimmers in the league and K. Patton gave the Falcons much help off the diving board this season.

Outstanding Season For Grapplers

The Falcon wrestlers finished the year with a very impressive 10-2 Division III record (10-3 overall) granting them a second place finish. In addition to their scheduled matches, the grapplers participated in three local tournaments: December 17, 1983 — Iroquois Invitational (5th place) January 7, 1984 — Royalton-Hartland Invitational (3rd place) February 4, 1984 — Frontier Invitational (1st place)

All of the members of the team should be congratulated for a job well done.

Gee your hair smells terrific.

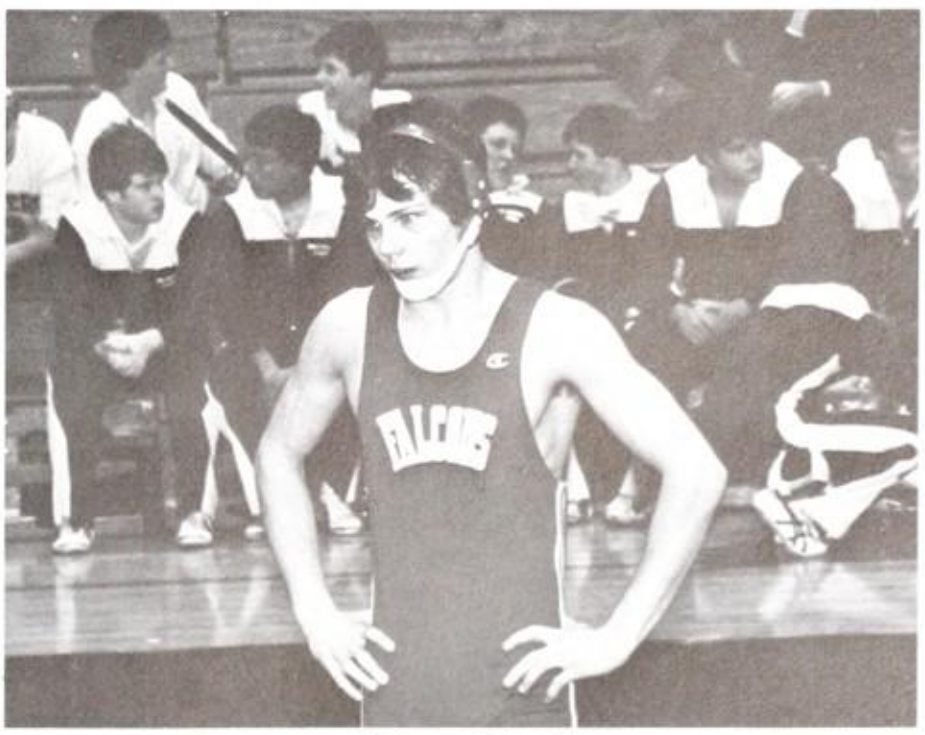
"I've got you now!"



"Are you joking?"

Falcon Keglers Have "Striking" Season

The Falcon bowling team had a highly successful season. The team compiled a 74 win and 36 loss record, giving them a second place Division III finish. By virtue of this finish, the team earned a birth in the ECIC sectionals as well as an invitation to the NCCC tournament which was held over the Patriots' Day Holiday.

The team was led by Dave Syta who compiled a list of some very impressive statistics: High Game Average — 184, High game — 257 (which was also a league high for 1984), High 3-Game Set — 695 (which was also the second highest in Section VI history.) All of these earned him a spot on the All-Star team as well as being a finalist, twice, on the WKBW TV SUPER 7 selections.

The future looks bright despite losing Seniors B. Cardone (captain), D. Schutt, R. Klinger, J. Tenebruso, and L. Pavel.

Shots could be heard resounding throughout the basement starting in November as the rifle team began practicing for the 1983-1984 season. The team, whose meets are held in fall and winter, uses target rifles, and steady sights to hit a ¼ inch bullseye, 50 feet away.

Led by Captain Glenn Kulesza, the Falcon marksmen maintained a match average of 1348. Participation provided opportunities for the students to partake in markman competitions while learning the basics of shooting and safety.

"Hey Cheryl, am I doing this right?"

The Frontier Rifle Club gives students the opportunity to learn rifle safety and marksmanship. Club members gain respect for all types of firearms while developing a feel for precision marksmanship and competitive target shooting.

There's Always Next Year

This year's basketball team worked hard all season and has been very competitive in every game. Some of the team's highlights include the division win over arch-rival Hamburg, a 20 point performance by Captain Ann Metzger, and fantastic foul shooting by Mitch Saldana. Ann Metzger, the team's leading scorer, was chosen to participate in the All-Tournament Team at Alden.

Next year, the girls should make a good run at the division title. Four starters are returning and a strong J.V. team will aid in reconstruction.

High scorers for the season were Tracey Jacobs (84 points), Kerry Rich (62 points), Sonya Host (59 points), and Nancy Frank (57 points). The team averaged 33 points a game, while holding the opponents to an average of 19.

A Trophy Winning Season For Varsity

This year's varsity team finished the season with a 3 win, 9 loss record. The record is deceiving, for each defeat was lost in a three game series by only 2-3 points. The team brought home the first girl's volleyball trophy in 19 years when they took first place in the Iroquois Invitational Volleyball Tournament over Thanksgiving. Captain Ann Metzger was named to the second team all stars for 1984, adding to this year's list of achievements.

Championship Season For Indoor Track

The Boy's Indoor Track team realized their full potential this year in an undefeated championship season. The Falcons finished 12-0, knocking off defending Division I champion Sweet Home and defending Division III winner Clarence to take this year's combined title.

Outstanding team members were: K. Streety, J. Kruszka, J. Salasny, B. Bednarz, and S. Caldarella. The 2-mile relay team of Wright, Kencel, Sparaco and Kruszka set a school record of 8:17.9.

The Girls' team finished in 5th place with an 8 win and 4 loss record. Standout performers were C. Rellinger, J. Murynowski, K. Halizak, S. Kelleher, and C. Louise, who set or nearly set several school records.

The team offers sincere thanks to manager Tim Russo, who did an excellent job handling team statistics.

It's time to straighten out my life,
to see where I belong.
Free to grow, and choose the path
Even though I may be wrong.

I have to look inside myself
to see where I want to go,
and to find the things I have to change
to make it to my goal.

I have my friends to help me
and it's not so hard a task.
All you have to do is listen
to your feelings and your past.

It's time to turn the page
on all that's gone before.
There is a new me now
that I hope is better than before.

S. Idon

The years behind us were there
to educate and strengthen the soul,
to give us the best of power,
to achieve our every goal.

These years have granted to each of us
Friends to help us through the day,
Treasured smiles and precious memories
that could never be taken away.

These years that gifted us with life
Now let go to set us free.
They send us the ability to strive
to be the best we can be!
